counterstrike when the alien war engulfing a distant planet spilled to earth through a network of hidden portals humankind was plunged into an apocalyptic generations old conflict between the plysserians and the chodrecai now months after earth s most powerful military forces formed a tenuous alliance with the plysserians and countered a devastating three pronged chodrecai offensive alien survivors continue to wreak havoc on a shell shocked earth martial law and civil unrest run rampant resistance cells and pockets of chodrecai sympathizers are gathering strength and two u s marines sergeant major simon dicarlo and sergeant belinda russell remain trapped on the alien planet of jontashreena now as human and plysserian scientists and engineers race to unlock the intergalactic portals and harvest alien technology earth prepares for the most explosive battle for its existence joining the war effort are recruits like young colin laney who will advance from marine boot camp to the forefront of a massive invasion on alien terrain with the fate of two worlds hanging in the balance

implication readers resources and thomas gray s pindaric odes presents an account of the poets secret the quite belated historically recent discovery by scholars and critics of something many poets have recognized and employed for ages the sense expressed by allusively parallel parts within a text thus expressed intratextually rather than only intertextually inferential perception of the implicit sense produced logically and linguistically by enthymemes implicatures and other intratextual features as well as intertextual ones can be indispensable for readers comprehension of literary as well as other texts especially their difficult passages implication readers resources and thomas gray s pindaric odes addresses these elusive matters as they have historically been posed by thomas gray s pindaric odes of 1757 and mainly the first of them the progress of poesy a poem that readers have more or less knowledgeably struggled to understand from the outset the process of disclosing that ode s sense can be aided by new further reference to paradise lost in the context of gray s largely unpublished commonplace book with its extensive little studied and very pertinent use of plato and locke

this is the story of how the young and ambitious mr henry gray and the talented diffident mr henry vandyke carter created the doctor s bible in ruth richardson s vivid account of the making of gray s anatomy we encounter too the publishers the wood engravers whose craft would soon vanish the printer and even the women who folded and stitched together the book s pages the book was rooted in the heart of empire ranging across the elegant terraces and cluttered backstreets of london from belgravia to the city here we read about microscopy medical fame commerce destitution disease and not least spirited from the workhouses and mortuaries of london the unnamed dead whose corpses provided the material for carter s drawings which were to make gray s book famous throughout the world book jacket

software product lines are emerging as an important new paradigm for so ware development product lines are enabling organizations to achieve impressive time to market gains and cost reductions in 1997 we at the software engine ing institute sei launched a product line practice initiative our vision was that product line development would be a low risk high return proposition for the entire software engineering community it was our hope from the beginning that there would eventually be su cient interest to hold a conference the first software product line conference splc1 was the realization of that hope since splc1 we have seen a growing interest in software product lines companies are launching their own software product line initiatives product line technical and business practices are maturing product line tool vendors are emerging and books on product lines are being published motivated by the enthusiastic response to splc1 and the increasing number of software product lines and product line researchers and practitioners the sei is proud to sponsor this second conference dedicated to software product lines we were grati ed by the submissions to splc2 from all parts of the globe from government and commercial organizations from these submissions we were able to assemble a rich and varied conference program with unique opportunities for software product line novices experts and those in between this collection represents the papers selected from that response and includes research and experience reports
